"Rejoice in the Lord always. I will say it again:
Rejoice! Let your gentleness be evident to all. The
Lord is near. Do not be anxious about anything, but
in every situation, by prayer and petition, with
thanksgiving, present your requests to God. And
the peace of God, which transcends all
understanding, will guard your hearts and your
minds in Christ Jesus." - **Philippians 4:4-7**

PURPOSE

God has called us both to serve in Nicaragua, which is where we met in 2005. Luke began teaching at Nicaragua Christian Academy in the Fall of 2004 as the computer teacher and Ellen came in 2005 to teach ESL (English as a Second Language).

We have been married two and a half years and are enjoying serving alongside each other, confident that God has called us to continue as full time missionaries in Nicaragua. Along with teaching computer classes and a Bible class, Luke thoroughly enjoys his role as Youth Director. Ellen was teaching Preschool and loved seeing her students learn and grow!

This school year is a big change as Ellen cares for our first child, David, at home. He was born on July 13th! Praise God for a healthy baby and delivery! Ellen enjoys being a mom and hopes to be involved in various aspects of ministry here in Nicaragua although she won't be teaching.

NICARAGUA

Nicaragua is the largest republic in Central America. It is called the "land of lakes and volcanoes." Managua is the country's capital, with a population of over one million. Nicaragua experienced almost continuous civil war between 1970 and 1990, dividing politicians, families, and churches. The peace which came with the 1990 elections has been, and remains, fragile. The Nicaraguan people are warm and caring despite the fact that they have suffered much in recent years. God's people continue to proclaim the Good News in Nicaragua. There is openness to the Gospel message making it an exciting time to be in Nicaragua.

NCA'S MISSION

Founded in 1991, Nicaragua Christian Academy is an evangelical, non-denominational, and non-profit school that has approximately 300 students in grades Pre-K through 12. NCA serves two important ministries in Nicaragua:

① The founding mission is to meet the educational needs of MK's (Missionary Kids), partnering with their parents to prepare them for further studies in North America. It is our desire that they will gain a cultural understanding of their host country and a passion for mission work. Without the educational opportunities offered by NCA, it would be difficult or impossible for many missionaries to carry out the work God has called them to in Nicaragua.

② The visionary mission is to train up future leaders in a country that is in desperate need of moral leadership. For years, Nicaragua's leaders have made decisions motivated by personal gain and have lacked moral integrity and commitment to social justice. 61% of NCA students are Nicaraguan and many of them come from upper and middle-class families and will be future leaders in Nicaragua. Our vision is to give them hope for their country and a resolution to make decisions based on God's Word, becoming agents of transformational development in government, business, the church and their communities.

YOUTH GROUP

The mission of Youth Group is to bring English speaking youth of Nicaragua to a better understanding of who Christ is, what He did for us and how to live for Him. This is reached through Bible studies, youth services, High School and Middle School retreats and service opportunities. Youth Group is a great seeks to go beyond the academic needs of the students and encourage growth in their spiritual lives.
